我現代表維省新生會簡述 2015-2016 年度週年報告。

與二十年前相比，新生會已是截然不同。在四月的時候，我們於 Whitehorse Centre 舉辦了 20 週年音樂晚會，並同時發佈了為紀念 20 週年而編撰的紀念特刊——《維省新生會廿載情》。是次音樂晚會有超過 350 人參加，各界好評如潮。我們亦非常榮幸獲得上海癌症康復俱樂部會員遠道而來為我們表演，讓我們的音樂晚會更多姿多彩。

在支援服務方面，新生會在本年度接待了 157 位新病友，提供了超過 950 次的個別接觸，包括探訪及以電話聯絡。我們全面的服務除了提供資訊、實際上的支援、康樂活動外，最重要的一環是給病友提供心靈慰藉。有關我們支援服務的摘要已收錄於本週年報告中。

新生會另一項重要工作，是已發展了四年的醫院外展服務。我們堅信面談可以提高癌症患者的希望和自尊，有助他們走向康復之道。於本年一月，我們在維州癌症醫院 (Victorian Comprehensive Cancer Centre) 開

始了新的服務，由我們的職員 Arfa Lai 每週進行一次探訪。另外，我們亦繼續在 Box Hill 醫院及 Austin 醫院進行外展工作，為華語癌症患者提供額外的關懷。很可惜，我們一位員工劉慧中在本財政年度結束時離開了新生會。

新生會亦繼續與姊妹慈善機構「華人慢性病基金」合作，為患有慢性疾病的華語病患者提供支援服務及社區教育。另外，本年度新生會與其他機構的撥款合作已開始起步，撥款項目包括「推廣癌症預防」及「寧養服務的社區教育工作」，撥款項目的內容可參閱本週年報告。我希望明年能與更多組織，例如維州癌症醫院和維州放射腫瘤中心 (Radiation Oncology Victoria) 建立合作關係。

新生會今年亦繼續專注在華人社區推行生死教育，並修訂了「晚情意願」小冊子。感謝墨爾本東區健康網絡 (PHN Eastern Melbourne) 慷慨的贊助，讓我們能夠印刷「晚情意願」3000 冊。我深信通過這 20 年我們致力為癌症病人服務的經驗，使新生會能在華人社區中將這忌諱的話題引起關注。有關於殯葬指示和遺體處理的決定人方面的法律諮詢，維州法律改革委員會 (Victorian Law Reform Commission) 亦諮詢了新生會的意見，並於 2015 年 12 月與會員及員工進行了諮詢會議。「晚情意願」第 9 頁及中國文化傳統殯葬習俗的簡述已收錄於他們的報告內。

今年六月，我被邀請代表多元文化社區 (CALD) 出席於悉尼舉行的澳大利亞癌症消費者論壇 (Cancer Australia's Consumer Forum)，這是一個內容豐富且充滿互動性的會議，提供了一個機會讓各界關注多元文化社區的需要。

新生會的支持小組亦如常繼續進行，西區支持組組長由 Suhlan Wang 接替擔任。而東區支持組在今年新增了多個活動，包括手提電話操作班及美術閒情班，獲得大家的歡迎。本年度各組參與人次總數近 1880。今年新生會的網頁也有新的設計，感謝 Tim Chong 和 Vincent Li 義務為我們修改網頁。而 WeChat 和 Whatsapp 也成為我們與病友和會員溝通的主要渠道。

新生會主要依賴社區人士的捐款以維持服務，本年度我們非常幸運得到社會服務署 (Department of Social Services) 的撥款以購買設備。我們亦得其他機構的資助推行合作夥伴項目。今年從籌款所得的收入亦有所增加，使我們能擴大服務範圍。有關詳細財政狀況，將由我們的會計師 Kevin Liu 為大家報告。

最後，我衷心多謝南番順慈善基金、中達食品有限公司、各機構及個人捐贈者的資助，以及我們的贊助人 Alice Wong、顧問和委員對新生會的支持。我特別多謝我們的財政 Yvonne Yuen 多年來的付出和貢獻，雖然她來年不會競選連任，但我非常感謝她

一直的支持。

當然我必須多謝我們的員工和義工，沒有合適的人和文化背景，新生會無法實現它的目標。我們的團隊充滿著凝聚力，員工和義工努力建立了一個友好的家園，讓每個人都被重視。我們許多義工本身是康復者，他們更理解和明白病友的擔憂與需要，並能作他們最佳的榜樣。我衷心多謝你們每一位，由我在 1996 年 1 月帶領新生會以來，一直支持我把新生會建立為一個獨特的組織。

新生會未來的挑戰將會是如何能把我們的服務擴展到郊區。我希望通過社交媒體和其他通訊科技，如網絡研討會和 DVD，將我們對癌症患者的支持擴展到這些地區。

2016 年是新生會值得慶祝的一年。我們整體的目標依然維持不變——致力成為華人社區中主要的癌症支援服務機構，為受癌症影響的人士提供關愛。

Cancer Australia Forum June 2016

President's Report

Dorothy Yiu OAM JP

On behalf of the Chinese Cancer Society of Victoria ("CCSV"), I am pleased to present the 2015-2016 annual report. CCSV is a very different place to what it was twenty years ago. We have grown to be a trusted community organisation, and we celebrated this wonderful milestone at our 20th anniversary concert in April this year. The Concert was well received by over 350 people, including the Society's members, volunteers, supporters and other community groups. I was proud to launch our commemorative publication and was pleased to have the Shanghai Cancer Recovery Club members performing at our concert.

Our support service has seen the Society welcome 157 new clients this financial year. We have offered around 950 individual contacts, at our support centre in Box Hill, over the phone and off site. A summary of our work is shown in this annual review, detailing our holistic services which in-

cludes tailored emotional and practical support, provision of information, exercise and more. All of which of course caters specifically to our clients' cultural needs.

Another key service run by CCSV is the hospital outreach program which has now been running for 4 years. We firmly believe that a personal touch is vital in supporting cancer sufferers. We believe this program empowers patients and enhances a sense of hope and self esteem. We also started a new service at the Victorian Comprehensive Cancer Centre in January this year. Arfa Lai, our Family Support Worker, visits Peter Mac on a weekly basis. In addition, we continue to visit Box Hill and Austin Hospitals to provide cultural support to Chinese speaking cancer sufferers. Sadly, our family support worker,

劉慧中在 Box Hill 醫院與病人面談
Elsa Lau is meeting the patient at Box Hill hospital

Elsa Lau, left our service at the end of this financial year.

CCSV of course does not work alone - we strive to work collaboratively across a range of organisations. CCSV, in partnership with its sister charity, the Chinese Chronic Illness Foundation, aims to develop support services and community education for Chinese speaking people who are affected by common chronic illnesses. Other partnership initiatives took flight during the year that allowed us to extend our community education on cancer prevention and palliative care. Further information about these projects are outlined in this report. New partnerships are already in the pipeline including partnerships with the Australian Cancer Survivorship Centre at the Victorian Comprehensive Cancer Centre and Radiation Oncology Victoria. I hope we can establish a long term relationship with our existing and new stakeholders. We also hope to continue to play a part in the community as well - our Society's Lion Dance Team performed at Cancer Council Victoria's Harmony Day celebration in March this year to much applause!

As ever our focus is on life and death education for the Chinese community.

We have revised our "Farewell Wishes" booklet and with the generous sponsorship from PHN Eastern Melbourne, we were able to print 3000 copies of "Farewell Wishes". I believe our experience working with cancer patients for over 20 years has placed us in a position to encourage the Chinese community in starting a conversation on this sensitive matter. On a similar note, the Victorian Law Reform Commission consulted CCSV regarding the law in the area of funeral and burial instructions and who should decide what happens to the deceased's body when they die. A consultation meeting with members and staff was held in December 2015. Our views were taken into account by the Commission - a section of "Farewell Wishes" was incorporated into their final report, in addition to a section about traditional funeral practices in Chinese culture.

「晚晴意願」小冊子修訂版

In June this year, I was invited to attend Cancer Australia's Consumer Forum in Sydney representing the CALD community. It was an informative and interactive program and a great opportunity to raise issues concerning the multicultural community. the Department of Social Services to purchase new equipment. Income from fundraising has increased this year which allowed us to expand the important work we provide. Kevin Liu, our accountant will give an account of our financial report.

Our support groups continued to run as usual. Suhlan Wang has replaced Raymond Chan as the Footscray group leader. We have introduced new programs in Box Hill centre this year. Mobile phone and art classes were added to our wellness programs which were well received by our service users. We estimate that the total number of group attendances is about 1880. You may also have seen that we have redesigned our website, with this to Tim Chung and Vincent Li who generously helped us upgrade our website on a pro bono basis. We continue to enhance our digital reach by using "WeChat" and "Whatsapp" to communicate with our clients and members.

In closing, I would like to thank Num Pon Soon Charitable Trust and Oriental Merchant Pty Ltd. for their ongoing support, individual donors, our Patron, Alice Wong, our advisers, and committee members. However, I would like to highlight the contribution of our treasurer, Yvonne Yuen in the past many years. Regrettably, Yvonne will not be standing for re-election and I wish to extend my personal thanks for her tremendous support and contribution.

CCSV relies heavily on the generous financial support of the community to sustain its service. We were very fortunate that we had received an one-off grant from The Society cannot achieve its goal unless we have the right people and the right culture. All our members and clients enjoy a cohesive atmosphere within the organisation and everyone contributes to a friendly environment where everyone is being valued. Many of our volunteers are survivors themselves. They are in a better position to empathise with cancer sufferers and be the best role models. I thank wholeheartedly all

of you who have supported me to make CCSV a unique organisation which I have been humbled to lead since January 1996.

The future challenges for CCSV is to extend the reach of our services to people into regional areas. We will work on plans to extend our support to cancer sufferers in regional areas by using social media and other communication technologies such as webinars and DVDs.

While 2016 was a year of achievement and celebration, our goal is to continue to be a leading cancer support provider responsive to the needs of people affected by cancer in the Chinese community. I hope you will continue to support us with these endeavours.

我們的心聲 Our Voices

幾年來，在抗癌的道路上，我感到並不孤單，是新生會這群充滿愛心、充滿正能量的義工朋友的關懷和愛護，使我堅持站在這裡，向你們在舞臺上展示生活的姿彩。謝謝大家！

癌病者、康復者、照顧者和義工在二十週年音樂會上分享他們的心聲

作為照顧者，我們不要以為就是盡心做事，做到問心無愧就夠了。我們能做的事情有更加多的，例如，代入被照顧著的處境，明白他們的感受，給多點尊重。

When I was diagnosed with cancer, I thought that was the end of my life. But it is NOT. Now I look at life in a different prospective in term of health, spirit and other aspects. There is life after cancer.

10年前，我被診斷為腸癌的患者，經過醫療，現已康復。面對癌症，一定要有信心，心態就是結果。謝謝！

4 years ago, my world was very hard. I was told of breast cancer. I was glad that I picked myself up. I wanted to be strong and wanted to beat it. I told myself. With the help and support from family members & friends, I had made it. I am here today. I thank you all cancer society like CCSV and all others that supported me.

非常榮幸，我們今天有幸參加新生會朋友們的生日盛會，是他們給了我很多鼓勵，因為我也是一個還在治療中的癌症病人，他們給了我目標和希望，我會更加努力，以實際行動告訴大家，癌症不等於死亡。

我患癌症已有 19 年，在這 19 年中，我每日都記住丈夫贈我的一句話，就是：既來之、則安之。所以我活得很積極。

Two years ago, I have got cancer. It is a bit scary. But I always believe the problem is not the problem, coping is. Thank you!

我患有癌病，但我沒有放棄我的人生。只要能夠活著，我就覺得有希望，有新的將來。希望盡在人生。多謝！

我是一位癌症的康復者。在這個康復的道路上，我經常有一句話，人生無常，我要過好有生之年的每一天，多謝！

For those just diagnosed with cancer or undergoing treatment, I like to encourage you that you must not fear, just face with courage & determination & be well again.

我已康復十年，在此代表新生會，向已經離開了我們的會員和朋友們送上我們的思念和祝福，雖然他們離開了，但他們永遠在我們的心裡。謝謝！

我是新生會的義工，在我姐姐得癌症去世之後，我領會到應該將生活的質素放在第一位，而不是著重延長他的生命。謝謝！

撥款與夥伴合作項目 Grant and Partnership Programmes

A. Cancer Council Victoria

Cultural Diversity Program Community Engagement Project

The objective was to determine the effectiveness of a cancer prevention program that consists of a peer based delivery of information about cancer prevention, screening and smoking cessation. Apart from engaging the community through focus group discussions, a total of 300 survey forms were also collected at the cancer information sessions to explore the community's understanding about cancer prevention.

Under Screened Recruitment Program

This program aimed to increase the knowledge, awareness and participation of cancer screening among people in the City of Whitehorse who have lower than average participation. Part of the project included an Art competition and we were successful in recruiting 30 contestants to enter the competition. The winning was launched in Sept at Whitehorse Town Hall by Cnr. Robert Chong. Trained bilingual health facilitators delivered a total of 15 screening sessions to the Chinese groups in the City of Whitehorse and its vicinity. 100 evaluation forms were returned to the Council. ”

“It has been a wonderful partnership that has enabled Cancer Council Victoria to work with Chinese Cancer Society of Victoria to further reduce the impact of cancer in the local community.”

實習學生感言 Our Placement Student

Wanda Wong
(Monash 大學輔導系學生)

人與人之間的相識是一種緣份，能夠在路途上互相扶持是一種福份。以往想起癌症便會自然地聯想到死亡，感覺癌症就如絕症一樣不能康復。加上家中曾有成員因癌症離世，更令我感覺到原來人生離死亡可以這麼近。也許因著這份埋藏在心底裡的經歷，令我有一份熱誠想要與癌症患者和他們的家人同行，走出幽谷。

抱著以生命影響生命的理念，我選擇修讀輔導科。在大學的課堂上透過師姐亞花認識了新生會，並獲得了一個實習的機會。在實習期間，有限的人生閱歷和癌症知識的缺乏，都成為了

我最大的挑戰。加上性格比較慢熱，相對地也需要多點時間去適應。但在新生會熱情和溫暖的氣氛籠罩下，我漸漸地開始釋放自己 warm up 起來，對癌症的認識也慢慢地增長。

因知道輔導科在澳洲很難尋找工作，本打算畢業後便離澳回港，但在機緣巧合之下，得到了在新生會工作的機會。心想「看來我與新生會的緣份還未完結呢」。最初知道工作的一部份是要到醫院主動接觸癌症患者就甚為緊張，認為自己何德何能呢。但經過姚太高手過招、支持和鼓勵，從那天起我開始學習「面皮厚一點」，不怕被「請食檸檬」，實行一招「敵不動，我先動」。在與患者的溝通過程中，我十分享受與他們同行，聆聽他們每位獨特的故事，亦很榮幸能在艱難的階段時提供支援。我相信 Every cloud has a silver lining，在黑暗中仍能找到一絲曙光。縱然我很渺小，一雙手所能做的也有限，但盼望自己能成為那道曙光繼續扶持癌症患者，在他們生命中留下蹤跡。

我們的顧問 Advisors

Dr Paul Ng 吳培恩醫生

吳培恩精神科醫生於兩年前成為新生會的醫療顧問，每月為義工及職員舉行同儕互助小組，為我們個案服務的工作提供專業意見。他亦替新生會主持公開講座，令公眾人士對精神科的疾病有更多的認識。

Dr Paul Ng, a psychiatrist, joined CCSV 2 years ago. He is one of our medical advisors. Paul offers our staff peer review support on a monthly basis. He has given us valuable advice on ways to work with difficult clients. All our staff and volunteers enjoyed and benefited from his presentation.

本會的其他顧問還包括 Dr Kevin Siu 和 Dr Michael Cheng，他們為本會社區教育工作賣力。

Other advisors include Dr Kevin Siu and Michael Cheng who support our cancer education programs.

Richard Bradford

Richard Bradford 於兩年前開始成為我們的資訊科技顧問。他由原本每月來會一次，到現在每星期到會兩次，幫助我們解決所有與 IT 相關的問題。我們給他別號福爾摩斯，因為對問題永遠都有一股鍥而不捨的精神。Richard Bradford joined CCSV about 2 years ago. His main role is IT support. Initially he came once a month, then he increased his visit to twice a week. Not only he updates all our laptops and fixes up all our computer hiccups, he also helps us solve all the problems on our printers, mobile phones, internet connections, and even our door bells. We have given him a nick-name, Sherlock Holmes because he would not let go until he solved the problem.

Tony Xie 謝敬英先生

謝敬英先生當新生會的財務顧問已超過 15 載。他設計了一個簡單易用的會計軟件以處理本會的賬目。他亦就我們的每年的財務報告過行內部核數。每當會計部有任何疑難，他總是第一時間拔力相助。

Outreach Service at Peter MacCullum Cancer Centre, Arfa Lai, our Family Support Worker

As what I have observed at the daily specialist centre at Peter Mac these few months, there were quite a number of Chinese speaking patients who needed assistance. Many of them cannot speak English or do not know services provided by Peter Mac, CCSV or Australian government. Hence, it is an opportunity for CCSV to support the patients there. If we can expand our service at Peter Mac, we can reach more Chinese cancer patients. I also discussed with the staff at Peter Mac volunteer service department today. They also found the problem of lacking resources to the increasing number of Chinese patients.

我在醫院碰到新生會的賴姑娘，她介紹我到維省新生會。我到了新生會感到很開心，因為我感到好像找到家的感覺。在新生會，大家一起活動，一起談心……這很利於身心健康，使自己在疾病中活得精彩，活得自在。在此感謝新生會！祝願她越辦越好。
