

Chinese Cancer & Chronic Illness Society of Victoria

End-of-Life Ancillary Service

CCCIS End-of-Life Ancillary Service is supported by the Department of Health and Human Services to deliver a range of client focused support services to individuals with life limiting illness and their family/carers from Chinese speaking communities across metropolitan Melbourne (*currently available in Eastern and South Eastern suburbs only*).

The services will be delivered by trained Chinese speaking volunteers and are designed to support individuals to be cared for at home.

What we can help:

Domestic Assistance

e.g. minor home maintenance,
companionship

Transportation (with the carer)

e.g. medical appointment,
social activities

Carer support

e.g. In-home respite,
support groups
