Chinese Cancer & Chronic Illness Society of Victoria (CCCIS) is a registered charity that aims to enhance the wellbeing of people of Chinese heritage. Since 1996 the Society has been supporting cancer sufferers and their carers, and since January 2018 it has expanded its support services to those who are affected by chronic illness such as Parkinson's Disease. The Society provides a range of services, supporting those from diagnosis stage all the way through to recovery or bereavement.

Referrals

Please contact our office to arrange an appointment to see our family support workers.

Any person can refer a client to CCCIS provided the client consents to the referral. For referrals, please ring or email the office.
